## **BENVENUTI!**

Italy has a smell. You get it the minute you're off the train and onto the street. It is of motorbikes, coffee, restaurants, food, roasted chestnuts and a touch of sweetness.

At San Marco, we bring a corner of Italy to one of Africa's legendary playgrounds, the V&A Waterfront.

Like the Italians say "la vita e bella" - life is beautiful. So please forget your worries and enjoy the Italian experience of 'dolce far niente' - sweet moments of doing nothing - while people watching and downing another espresso.

## **BON APPETITO!**

**Welcome to San Marco, where the world meets Cape Town & Cape Town meets the world.**
